

The retrofit you are proceeding with has been identified by your contractor as being eligible for rebate through the Energy Efficiency Alberta (herein referred to as the “EEA”) Home Improvement Rebate program (herein referred to as the “Program”) facilitated by The Summerhill Group (herein referred to as “Summerhill”).

Neither EEA, nor Summerhill make any warranty, expressed or implied, with respect to the energy savings estimates or energy efficiency recommendations provided by a participating contractor. Actual energy consumption and costs depend on a host of factors beyond the control of EEA or Summerhill.

EEA and Summerhill promote the use of energy efficient equipment bearing the ENERGY STAR® symbol and the use of trained personnel in the completion of energy retrofits. EEA and/or Summerhill do not endorse the services of any contractor nor any specific brand, and accepts no liability in the selection of materials, products, contractors or performance of workmanship.

By signing below, you acknowledge that you have read this notice and that you authorize the information (including name, address, contact info, and photos) collected about your retrofit throughout the process to be supplied to Summerhill and/or EEA for the purposes of verifying the rebate claim, issuing the rebate cheque and for quality assurance purposes.

Personal Information is being collected under the authority of the Freedom of Information and Protection of Privacy (FOIP) Act – Section 33 and is managed in accordance with the FOIP Act for the Government of Alberta. Personal information will not be used or disclosed for any purposes than stated, without written consent or unless required to do so by law. If you have any questions please contact Energy Efficiency Alberta at 1-844-357-5604.

You may be contacted by a representative of Summerhill or EEA, should any quality assurance assessments of the Program be undertaken, and you will be asked for your consent to participate in this review.
